Highly Qualified Educator

Dear Hiring Manager,

I am writing to express my great desire for a teaching position with the Forsyth County School District. I am a hardworking and experienced professional and it would be an honor to be considered for a role in your district.

As an established 8<sup>th</sup> Grade Gifted Social Studies teacher, I feel as though my schooling, work experience, and leadership have prepared me to take on a meaningful role at any one of your schools. I am seeking to add high school endorsements to my educator certificate.

I would greatly appreciate the opportunity to interview with a district representative for any of the positions that I would be qualified to fill.

I eagerly look forward to hearing from you soon.

Thank you for your time and consideration.

Sincerely,

Jeffrey Cargill
